CONGRESSIONAL STAFF NETWORK  
ON WORKFORCE AND ECONOMIC SECURITY

Good morning Mary,

You are officially invited to participate in Jobs for the Future's (JFF), Lumina Foundation's and The Joyce Foundation's Congressional Staff Network on Workforce and Economic Security Issues August Site Visit. This year we are going to Detroit, Michigan from **Tuesday, August, 28<sup>th</sup> – Thursday, August 30<sup>th</sup>** where we will learn about a major city that is reinventing its economy and its education and workforce development efforts. We plan to fly from DC to Detroit on Tuesday afternoon, have an opening session that evening, participate in meetings and site visits throughout Wednesday and Thursday, and fly back to DC on Thursday afternoon so that you are back in DC by early evening.

During our visit to Detroit, we will hear about how the city is leveraging private and public investments and partnerships to revitalize the economy. We will hear from the Mayor's office, his newly appointed workforce development board, leading employers, and economic development officials to discuss the city's efforts to address the skill needs of the region. We will learn about: exciting new investments in CTE; business investments to increase postsecondary participation amongst city residents; how the city is working with community partners to address equity and poverty issues; and the region's efforts to improve student success in postsecondary education. In addition, we will learn about ongoing initiatives that are focused on increasing support for the city's youth population, both those who are in and out-of-school. To fully understand the culture and history of the region, we will learn about the region's long-standing relationship with the automotive industry, including, how it has shaped the community -- and how innovation is reshaping the industry.

In the next week, we will send more details regarding the trip, including the necessary Ethics documentation. We hope you can join us!

Best,

Mary Clagett, Senior Director of Workforce Policy, JFF

**Question #14 History of Sponsor:** JFF has previously sponsored Congressional Staff trips and events for the past 10 years. Examples of this work includes the following: held numerous DC-based local forums and conducted multiple site visits where senior congressional staff have the opportunity to see high quality workforce programs and learn from experts and practitioners on the ground, about the impact of federal policy in their fields of responsibility. Visits have included programs in: Charlotte, NC; Bridgeport, CT; Cincinnati, OH; Madison, WI; Philadelphia, PA; Detroit, MI, Wichita, KS, Nashville, TN, Seattle, WA, Eastern KY and Fredericksburg, VA. planning department. After learning about the neighborhood's history and future development plans, staff will hear from developers and community organizations who will explain how sectors and initiatives are coming together in strategic neighborhood revitalization. The entire session will take place outside as long as weather permits.

11:30 – 12:00 PM Travel to Randolph Career and Technical Education Site  
17101 Hubbell Detroit, MI 48235

12:00 – 12:30 PM Tour of the Randolph CTE Center

The Randolph CTE Center is a high school that prepares students for high-wage careers in construction trades, business, drafting and design technology while creating college and career-ready learners. The center also emphasizes work-based learning. Staff will tour the facilities and learn about Detroit's investment in CTE as a major component of the city's efforts to skill up its workforce. Because school does not begin in Detroit until after Labor Day, students are not expected to be in attendance.

12:30 – 2:30 PM Lunch Session at the Randolph CTE Center: CTE and Apprenticeship programs for Youth and Adults

- Krista King, Director, Randolph CTE Center
- Brenda Belcher, Director of the Office of College and Career Readiness, Detroit Public Schools
- Mike Haller, President, Walbridge
- Tom Ward, Training Director, Bricklayers Local 2
- Tom Bowes, Assistant Director, International Brotherhood of Electrical Workers (IBEW) at the Joint Electric Apprenticeship Training Center (JATC)

Staff will hear from the public-school system, organized labor, and apprenticeship partners to understand the public private partnerships required in CTE and apprenticeships – and how CTE is being transformed in the city for youth and adult learners.

2:30 – 3:30 PM Wrap Up

Informal discussion with sponsors and staff about key take-aways from the trip – reflecting on what was learned and ways Federal policy makers can assist states and localities to improve system alignment, programming and outcomes.

3:30 – 4:00 PM	Travel to the airport
5:30 – 7:04 PM	Return flight to DC <i>DTW → DCA Delta Airlines Flight 2972</i>
